| 13. At least one certified school nurse is employed by the school district (not through a third-party contract). For medically fragile students who require one-to-one clinical nursing services, the school district uses a provider of clinical nursing services who appears on the New Jersey Department of Human Services' directory of private-duty nursing. The district board of education annually adopts a nursing services plan for each school that addresses sufficient nursing requirements and the needs of all students, including nonpublic school students.
