

# IMPORTANT INFO

## How do I place my picture order?

- All picture orders are placed online at [danscamera.com/pictureday](http://danscamera.com/pictureday)

## When do I place my picture order online?

- Online ordering begins once you receive your student's ordering sheet with their Student Code. Ordering sheets are delivered about one week after picture day and orders are due by the day listed on your ordering sheet.

## I have more than one student, can I combine orders?

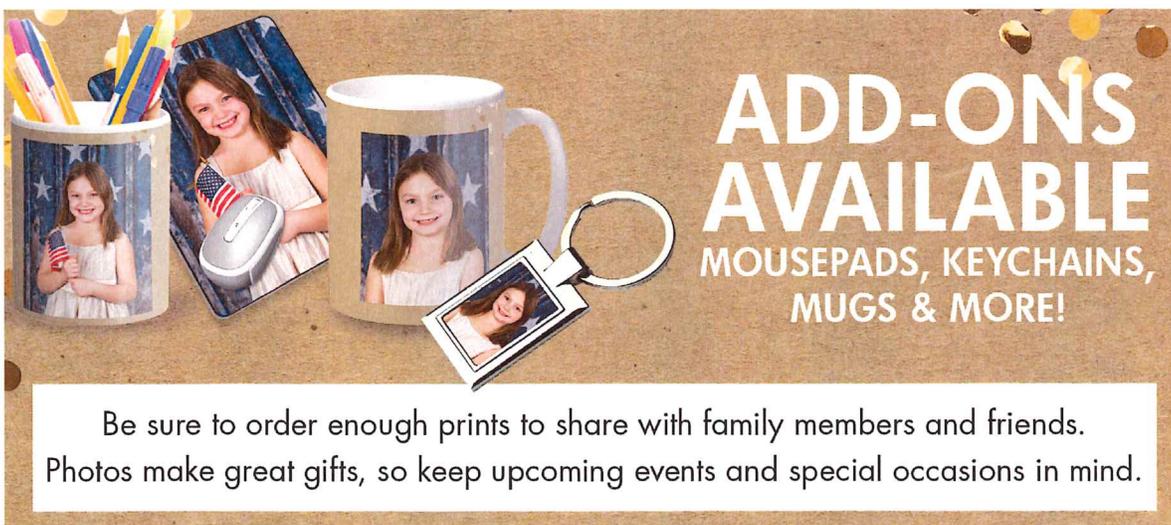

- YES - Orders of students who attend the same school can be combined. Each student gets a personalized Student Code on their proof sheet and you can use the "add a student" button when ordering. **Note:** There is no way to combine multiple students into one package.

## Can I still place an order for photos after the original picture day ordering has closed?

- Yes, you can place a late photo order. Ordering is closed while we print the orders, but it will reopen when we deliver the original orders back to the school.
- Late orders are not delivered back to the school and you will need to choose to pick them up at Dan's Camera City Allentown at no additional charge or have them mailed to you for an additional shipping fee.

## When is Make-Up Day for Spring Photos?

- There is no Make-Up Day for Spring.
